

COSMIC KIDS!

HALLOWEEN PARTY COLOURING BOOK!

Welcome to the Cosmic Kids Halloween Party Colouring Book!

Happy Halloween, Cosmic Adventurers!

Welcome to our Spooky Spectacular Halloween Colouring Book, a magical space where your creativity can run wild—just like our imaginative yoga adventures!

Colouring not only stimulates the imagination, but it also helps us relax and focus, much like yoga. So why not combine the two for an extra-special Halloween experience?

Here's a glimpse of the Halloween-tastic yoga adventures you can embark on:

1. Haunted House – A NEW Halloween Kids Yoga Adventure! – Can you brave a visit to the haunted house?! We might just meet some ghosts, skeletons, zombies and witches!
2. Spooky Spectacular Super Yoga – Get ready for a thrilling journey filled with eerie poses and Halloween fun. It's so enjoyable, it's scary!
3. Ruby Broom – A Halloween Kids Yoga Adventure! – Sweep away negativity and fly high on your broomstick with Ruby Broom. She's a witch with magical lessons to share!

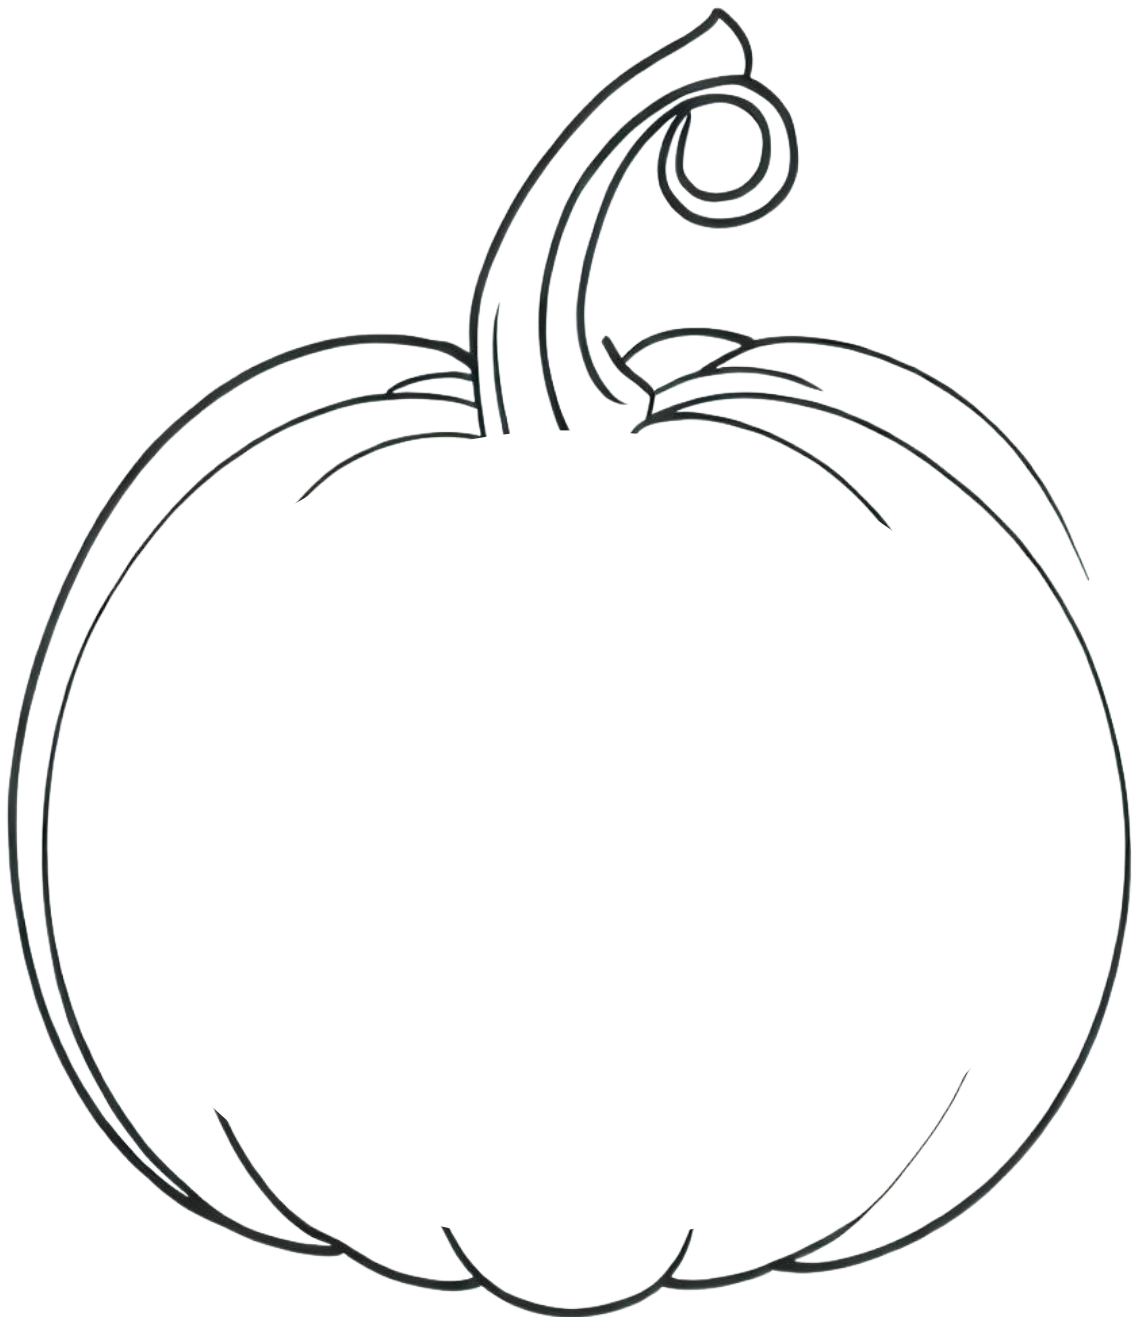

So, ready to add some color to your Halloween? Let the coloring—and the yoga—begin!

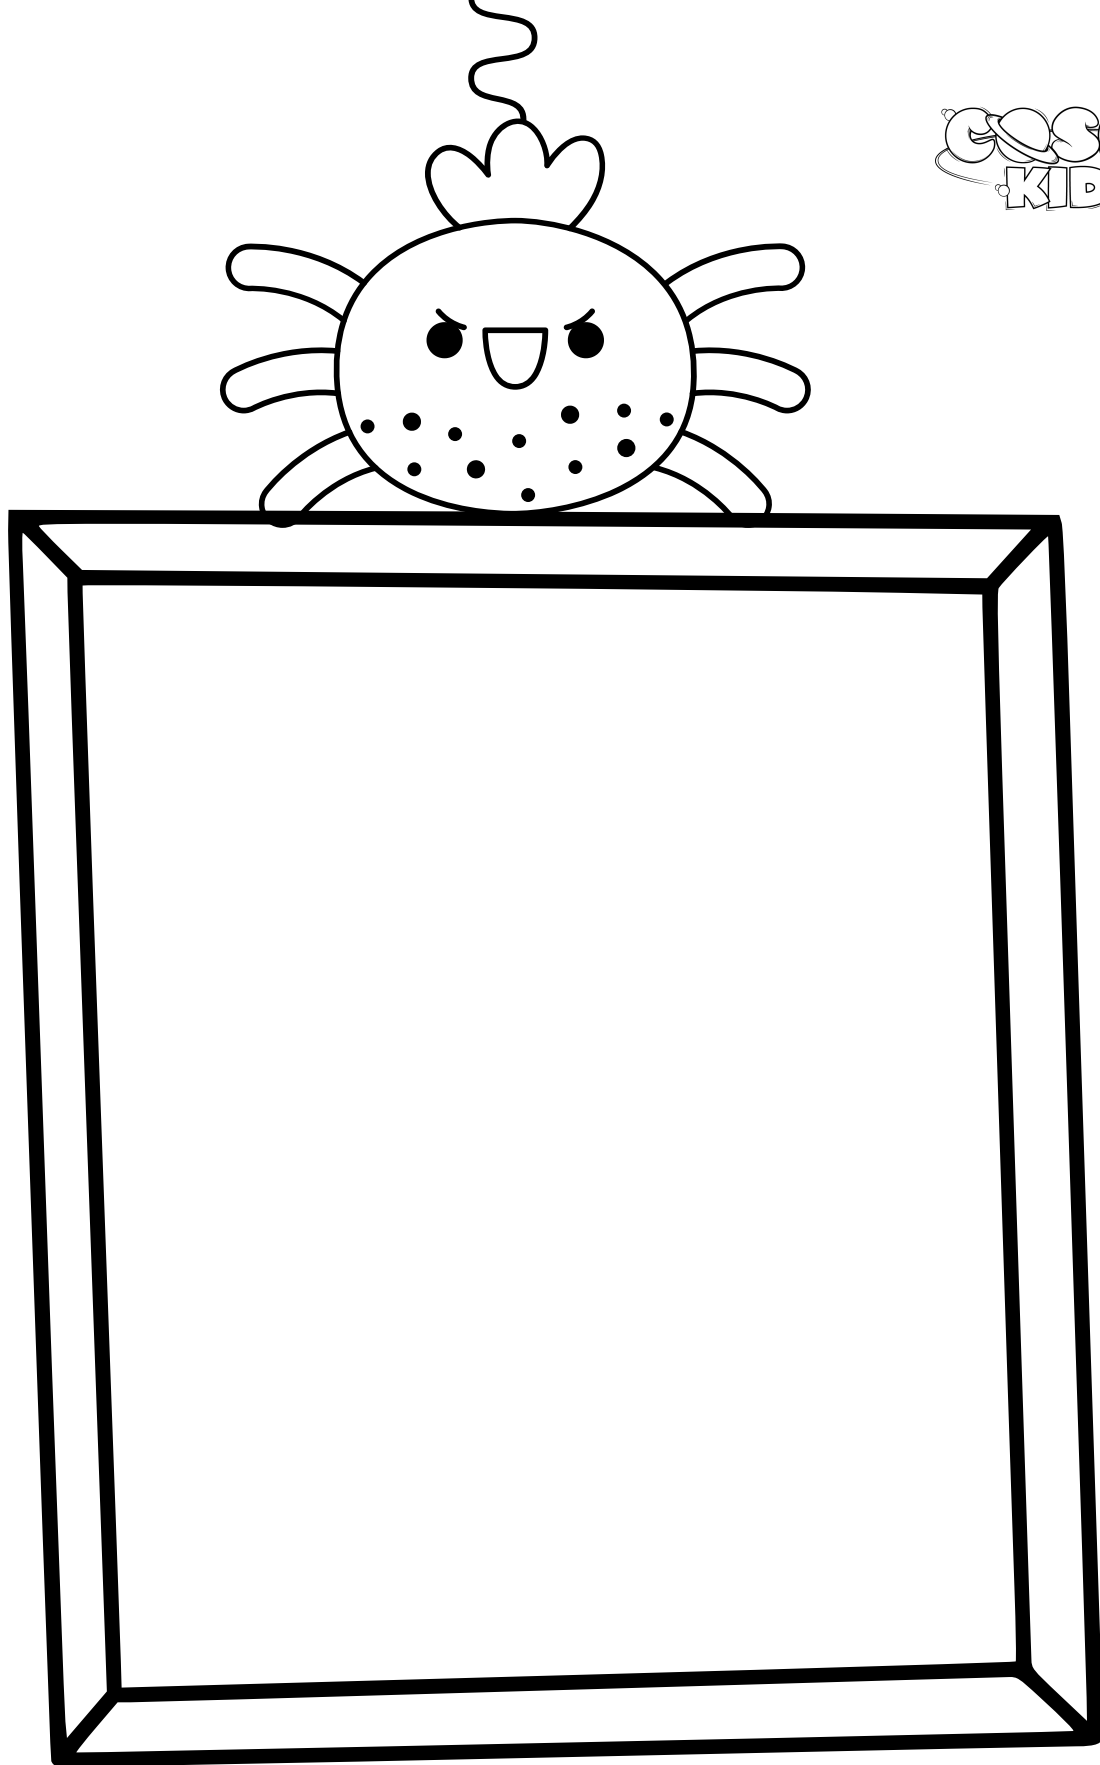

Happy Colouring & Happy Yoga-ing!
